Admission Requirements

- [Application for Admission & Application Fee](#)
- Official High School Transcript or GED/HSED Credential, including a graduation or passing date.
- Students must meet one of the following [multiple measures](#): earned a technical diploma or higher,* earned a minimum high school GPA of 2.6, earned a minimum college GPA of 2.0 or submit ACT or Accuplacer test scores. Submit any needed transcripts or test scores. **Please note short term technical diplomas do not fulfill Multiple Measures. These programs include Nursing Assistant, Emergency Medical Technician (EMT), Advanced EMT, and Truck Driving.*
- The program of study that you have selected has a required clinical component for graduation. Each clinical placement has site specific requirements which may include COVID-19 vaccination requirements. These requirements are subject to change with little or no notice.

Additional Requirements:

- [Order Background Check ONLY\(link is external\)](#) (CBC). Upon completing your order, the BID will be on your To-Do List. Download, print, and then upload the completed BID to your [myCB\(link is external\)](#) within 30 days of your CBC order. BID's not uploaded within 30 days may result in the need to place a new CBC order.
 - [Student Instruction Form](#)

Students must complete the certificate program with a cumulative GPA of 2.0 or above.

2024-2025 Certificate

- For additional background check information, read and understand the [Criminal Background Checks and Health Program Students information](#).
- Complete an [Acknowledgement of Program Functional Abilities form](#)(link is external) after reviewing the [Nursing Technical Standards](#).
- Valid WI LPN license
- Official College Transcripts showing LPN courses & graduation
- Verification of having worked at least 2000 hours as an LPN within the past two of five years
- Review the [ADN Handbook](#)(link is external)
- This program has a required admission petition. Students are selected based on completion of academic eligibility requirements and district residency. See our [Petitioning webpage](#) for additional information.
- The program of study that you have selected has a required clinical component for graduation. Each clinical placement has site specific requirements which may include COVID-19 vaccination requirements. These requirements are subject to change with little or no notice.

After being awarded a seat through the petitioning process:

This program has a required admission petition. [Click for details on petitioning](#).

- [Order Medical Document Manager ONLY](#)(link is external) (health forms/records and CPR). Upon completing your order, the required health forms and CPR requirement will be on your To-Do List. Prior to petitioning you will only be required to upload a copy of your valid [CPR card](#). After being awarded a seat, you will be required to complete the remainder of the items in your To-Do List as soon as possible so that you can receive clearance to participate in clinicals. Please download, print and upload the completed forms to your [myCB](#)(link is external).
 - [Student Instruction Form](#)
- [Order your Drug Test](#)(link is external). During the order process, you will need to select your program location, i.e. Nursing - ADN/PN - Racine/Kenosha OR Nursing - ADN/PN - Burlington. Please read the “Additional Information” section found on the review page which is the beginning part of the order process. This will provide you with the necessary information to complete your drug test.
