

2024-2025 Certificate

Certificate: **NAIL TECHNICIAN (90-502-1)**

Credits: **9 Credits**

Description: This certificate provides instruction in basic and advanced nail techniques including application of acrylic, fiberglass, silk, and gel nails. Courses are theory, practical, and client services centered, and allow students to prepare for the Wisconsin State Board Exam. There is a separate kit required for each course.

Related program: Cosmetology

The sequence shown is the recommended path to completion. Courses will be scheduled in the terms indicated here.
All courses should be taken in the order shown to help you stay on track and graduate according to your academic plan.
Courses in this program may be offered in a variety or combination of formats (for example: in-person, video conferencing, online, etc.).
