

Press Set-Up Operator Apprentice (50-420-10) Effective 2024/2025

Program Description

Press Set-up Operators are responsible for setting up and operating power presses to trim, punch, shape, notch, draw, or crimp metal, composite, or plastic stock: Assembles, installs, and align dies in press according to specifications, using feelers, shims, templates, bolts, clamps, and wrenches.

Program Learning Outcomes

Graduates will be able to:

1. Comprehend basic dimensions while measuring with precision measurement tools.
2. Understand basic shop math.
3. Basic knowledge and understanding of fabrication, hydraulic press and/or punch operations including basic set up is desired.
4. Be able to work with various types of metal forming constraints with guidance.
5. Be able to read and understand blueprints and other shop drawing aids.
6. Practice safety conscious behavior.
7. Be able to visually inspect parts for non-conformance to blue prints.

Essential Career Competencies

Gateway's six essential career competencies are the general attitudes and skills promoted and assessed by all programs. All Gateway graduates will develop skills in:

- Communication
- Professionalism and Career Management
- Cultural Competence
- Critical Thinking and Problem Solving
- Teamwork and Collaboration
- Technology Competence

Get Started as an Apprentice

1. To begin identifying or planning your apprenticeship, contact the local Apprenticeship Training Representative at 262.564.3210
2. If an employer wishes to hire you, they will submit an [apprentice application](#) to the Wisconsin Department of Workforce Development (DWD). If the DWD determines that you meet the Bureau of Apprentice Standards qualifications, you will be given a credential notice.
3. Once your permit is in place, Gateway's Apprenticeship department will communicate with you regarding registration, classes and books.

Graduation Requirements

- *Minimum of 2.0 ("C") or above for all required courses.
- Meet minimum hourly paid related instruction requirements per WI Registered Apprenticeship Contract.

Notes

1. Students must be physically able to perform the job.
2. Students must be 18 years of age and submit official high school, GED, or HSED transcript including a graduation or passing date.
3. Students must complete all courses with a grade of "C" or better.
4. Must be able to lift up to 50lbs and push/pull 100 to 2500 lbs using carts and moving equipment.
5. Must wear protective shoes, safety glasses, gloves, shop shirt and ear protection while working around loud noises.

Gateway Technical College reserves the right to modify curriculum requirements for students who interrupt enrollment for one year or take over seven years to complete. Tuition and material fees are determined by the board of the Wisconsin Technical College System. Consult My Gateway for exact fee amounts. Occasionally, the District may offer a particular course out of published sequence. By doing so, the District does not obligate itself to offer succeeding courses out of published sequence.

Press Set-Up Operator Apprentice (50-420-10) Effective 2024/2025
