

## USG Ballot

### Candidates for Campus/Center Student Leaders to represent Elkhorn/Burlington

---

#### Ryan Bognar

I'm running for United Student Government because I am proud to be a student at Gateway Technical College and I want to give back to the school that has given me so much. As a full-time joint-degree seeking candidate (General Marketing and Marketing Communications), I understand the challenges that students face on a daily basis, both in and out of the classroom. If elected, I believe I would make an excellent addition to the team because not only am I passionate, dedicated, and thankful for the education that I am receiving at Gateway, but I also hold great leadership qualities as I'm the 2016-2017 President of Wisconsin Collegiate DECA as well as Gateway's 2017 District Star Ambassador. Using United Student Government as a platform, I would like to encourage all students to achieve their academic goals whilst getting involved in on-campus activities because I believe that every Gateway student, no matter what their background, age, or career path may be, can be successful accomplishing their dreams. I want to help make Gateway Technical College an even better place than it already is because leadership is not about what you can do for yourself, but it's about what you can do for those around you. Thank you for this opportunity to serve you as a USG Officer, and thank you for your vote.
