COMMENCEMENT SPEAKER

Patrick Booth

Patrick Booth is president and CEO of Racine's leading business IT services provider, CCB Technology.

Born in Nashville and raised in Racine, Patrick is a proud 1996 graduate of JI Case High School. He received his bachelor of science degree at the University of Tennessee, Knoxville, in Business Administration. After graduation, Patrick moved to Los Angeles to work for Dewalt until joining the family business again in 2001, in a sales position. After serving in five different roles in the company, he became president of the family business in 2013 and purchased the company from his parents in 2019.

Patrick, along with his company, has received numerous industry and community leadership awards and recognitions, including Milwaukee Future 50, RAMAC Family Friendly Workplace, Top Midmarket IT Executive, and four consecutive Top Workplace recognitions.

Patrick and his wife Lori have three children who love living on their mini ranch in Racine County.

2020 GATEWAY TECHNICAL COLLEGE ALUMNI ASSOCIATION DISTINGUISHED ALUMNI AWARD

Roger Zacharias

Roger Zacharias has been named as the Gateway Technical College 2020 Distinguished Alumni.

Roger, of Kenosha, graduated Gateway in 1990 as a carpentry apprentice and currently serves as business representative for the North Central States Regional Council of Carpenters. He has served as a Gateway Technical College Trustee since 2004 and was the board chairman in 2007-08 and 2010-12.

One of Roger's nominators said: "I know of no finer example of someone who exemplifies and supports the mission and vision of Gateway Technical College through his actions. Roger models the values of Gateway through his work and through his volunteer activities. He is an inspiration for future alumni."

Roger was a superintendent of a Racine-based company prior to serving as a business representative, and has been a member of the Kenosha Union Board since 2004. Roger and his wife, Barb, have two children and three grandchildren.

GATEWAY TECHNICAL COLLEGE CLASS OF 2020: A HISTORIC COMMENCEMENT CELEBRATION

These are historic times, and today Gateway Technical College recognizes a historic group of graduates.

For the first time in Gateway Technical College's 109-year history, the college is honoring its graduates with a virtual commencement ceremony for the Class of 2020. The coronavirus (COVID-19) pandemic fundamentally changed the way many of the Class of 2020 completed their final semester, with nearly all classes shifting to an entirely online format in March 2020. Due to restrictions on large gatherings caused by the pandemic, the college transitioned its commencement to a virtual format.

Gateway Technical College students and graduates persevered in the face of this unprecedented challenge and the college's faculty, staff and administration are honored to recognize their hard work with this special ceremony. The virtual ceremony can be viewed by visiting gtc.edu/commencement-ceremony.

The college will plan an in-person celebration for the Class of 2020 when it is safe again for large groups to gather.

Dr. Bryan D. Albrecht

About Gateway . . .

Our Vision

We make life-changing educational opportunities a reality.

Our Mission

We deliver industry-focused education that is flexible, accessible, and affordable for our diverse community.

Our Values

At Gateway Technical College, we value

- diversity of individuals and perspectives
- a positive climate for working and learning
- quality and excellence in education
- innovation and risk-taking
- honest and ethical behavior

The individuals listed are August 2019, December 2019, May 2020 and August 2020 candidates for graduation from Gateway Technical College Associate Degree Programs, Technical Diploma Programs, and Advanced Technical Certificates. Actual receipt of degrees, diplomas, and certificates is contingent upon successful completion of all program graduation requirements.

Gateway Technical College Global Scholars

Gateway Technical College Global Scholars are students chosen each year to represent Gateway abroad. The Global Scholars program prepares students for careers in the ever-changing global economy through participation in project-based learning opportunities with colleges, universities, and businesses in other countries.

Gateway Technical College Scholastic Awards

Gateway Technical College Scholastic Awards recipients have earned the distinction of having the highest grade point average in their academic program and are awarded this special scholastic achievement. Graduates who have received Scholastic Awards designation are noted with an asterisk (*) following their name in the list of graduates at the back of this program.

Gateway Technical College Service Scholars

Gateway Technical College Service Scholars are civically engaged and socially responsible students who have actively participated in more than 50 hours of service learning within the Gateway community locally or internationally. Service Scholars are engaged either in their courses, clubs, or independently and have worked on projects that directly relate to their program area while meeting a defined immediate need in the community.
