

Earn a Gateway certificate, laptop  
and \$1,000 college scholarship for FREE!

## High School Students:

Don't miss out on  
a career in a rapidly  
expanding industry!  
**Apply by July 31.**

**Are you a futuristic thinker interested in working with robots and other new technology? Take the next step: join Gateway's Advanced Manufacturing Academy for STEM Careers.**

**In this free program** take four manufacturing courses for eight college credits at Gateway. You'll get a free laptop that you can keep when you complete your studies of robotics, mechatronics, the Internet of Things and more.

**By the time you graduate high school, you'll earn your Intro to Industry 4.0 Gateway certificate at no cost to you — saving over \$2,300 on college credit! Plus, earn a \$1,000 STEM Career scholarship** for completing the academy, and apply your credits toward Gateway's Advanced Manufacturing Technology associate degree program to continue your education. Most importantly, you'll have what it takes to launch a career in advanced manufacturing!

**DETAILS >>>**

Earn **8 Gateway college credits FREE** when you apply for the **Industry 4.0 Gateway Certificate**

## #StartHere for Gateway's Advanced Manufacturing Academy for STEM Careers

### Class Schedule

Classes take place at Gateway's SC Johnson iMET Center Monday - Thursday from 1:25 - 2:55 p.m.

#### Fall 2020:

- 664-100 Introduction to Industrial Controls 2 cr.
- 664-110 Introduction to Mechatronics 2 cr.

#### Spring 2021:

- 664-105 Industrial Robot Oper. & Prog. 2 cr.
- 664-120 Basic Industrial Internet of Things 2 cr.

**Total amount** of credits earned: **8**

The Advanced Manufacturing Academy for STEM Careers is offered through a Contract for Service with local high schools. Students will have the opportunity to earn the Intro to Industry 4.0 Gateway Certificate. Tuition, fees, books and material costs are sponsored by a private donor to the Gateway Foundation, so students, parents, and schools pay nothing.

Total amount  
of college  
credit earned  
(at NO cost to you):

**8cr.**

Saving you over  
\$2,300 – including  
a FREE laptop!

## How to Apply to the Academy

Students should complete an **Advanced Manufacturing Academy for STEM Career Application** at [gtc.edu/earn-credit](http://gtc.edu/earn-credit). Submit your application along with a one page essay explaining your interest in the program, as well as a nomination from a teacher, counselor, CTE Coordinator and/or principal. **Applications should be turned in to Katie Graf at [grafk@gtc.edu](mailto:grafk@gtc.edu) by July 31.** Space is limited!
