

ITT Technical Institute- Information Systems and Cybersecurity

Students who were previously enrolled in the Information Systems and Cybersecurity program at ITT Tech may want to consider Gateway Technical College's **IT-Network Specialist program (10-150-2A)** (gtc.edu/network-specialist.) The IT-Network Specialist program requires a minimum of 70 credits for completion, in which over half of the required credits are obtainable via Credit for Prior Learning. Please see table below. Gateway will waive all Credit for Prior Learning fees up until the first day of the college's spring 2017 semester. For more information please attend an ITT Quick Start seminar (gtc.edu/ITT-assist) or email cfpl@gtc.edu.
