## ELECTION OF OFFICERS

Summary of Item: The District Board shall hold its annual organizational meeting on the second Monday in July at which it shall elect from among its members a Chairperson, Vice-Chairperson, Secretary and Treasurer. No person may serve as Chairperson for more than two (2) successive annual terms. (Source: Wisconsin Statutes, Section 38.08[3])

### Procedure

The Board Chair's designee shall conduct the election by soliciting nominations from the membership.

In order for a name to be placed in nomination for the above-named offices, a motion and a second are required. The Board Chair's designee will call for the closing of the nominations and the distribution of ballots. The ballots will be tallied by the Board Chair's designee, and the results announced to the full Board.

At the conclusion of the elections, the newly elected officers will assume their duties.

## VII. Code of Ethics

## **CODE OF ETHICS**

Each member of the Board is an appointed representative of the citizens of the entire District and therefore embraces the public's trust. The Board members' obligations, as a group, are both legal and ethical. Each member promises to carry out his/her duties with the very highest ethical conduct, and to carry out the Board's requirements under the applicable education code provisions of the State of Wisconsin and such other local, state, and federal laws as apply.

1. Board members must maintain unconflicted loyalty to the interests of the ownership. This accountability supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other boards or staffs. This accountability supersedes the personal interest of any Board member acting as an individual consumer of College services.
2. Board members must assure that all actions and decisions are done to better serve the community since this is the primary reason for the College's existence.
3. Board members must help create and sustain an atmosphere in which controversial issues or different philosophical stances can be presented fairly and in which the dignity of each individual is maintained.
4. Board members must avoid any conflict of interest with respect to their fiduciary responsibility.
  - a. Board members must maintain confidentiality of privileged information, including topics discussed in legally permitted closed sessions, and refuse to use their position on the Board or any confidential information in any way for personal gain.
  - b. Board members must not use their positions to obtain employment by the College for themselves, family members, friends or associates. Should a board member apply for employment with the college, he or she must first resign from the Board.
  - c. Board members must not vote on any matter before the Board which does or could result in financial gain for themselves, family members, friends, or associates, except as permitted in WI Statute Section 946.13 or as otherwise permitted by law.
  - d. When the Board is to decide upon an issue about which a member has an unavoidable conflict of interest, that member shall absent him/herself without comment not only from the vote but also from the deliberation.
5. Board members recognize that each Trustee is only one member of the Board, and that all Board actions are taken as a whole in such a manner that the best interests of the entire College community are advanced.
  - a. Board members' interaction with the President or with staff must recognize the lack of authority in any individual Board member or group of Board members except as noted in Board policies.
  - b. Board members' interaction with the public, press, or other entities must recognize the same limitation and the similar inability of any Board member or Board members to speak for the Board beyond simply reporting Board decisions. The Board Chairperson is the official media spokesperson for the Board.
  - c. Board members will express no judgments of the President's or staff's performance except as that performance is assessed in accordance with explicit Board policies.
  - d. Although all members are obligated to register differences of opinion on Board issues at the board level as passionately as desired, individual members may not direct their differences of opinion to staff in a manner which would create dissension or polarization in the organization or undermine a decision of the Board majority.
6. Board members will sign an annual statement affirming this code of ethics and submit an annual economic interest statement to the State of Wisconsin as required by statute.

## Acknowledgement Form – Code of Ethics Policy 1.13

I acknowledge receipt of the Gateway Technical College Board Governance Policy 1.13 under Governance Process. I further acknowledge that I have read and agree to abide by the terms of the Code.

## **Welding Project Concept**

Gateway Technical College was approached by the US Navy to offer workforce training supporting Southeast Wisconsin employers that manufacture components for the Navy's submarine expansion program. The Navy's initiative is in partnership with the Blue Forge Alliance, an industry trade group that includes local employers. The 16-week training programs will provide students with a no-cost certificate in welding, CNC operation, electronic assembly or quality inspection. There are space and equipment capacity constraints to expand the number of students in the welding pathways. Therefore, the US Navy is willing to commit to fund the building construction and equipment necessary to double the welding booth capacity at the Racine Campus. The total US Navy investment is expected to be \$5.2million.

# DBA Committee Descriptions 2024

## **Board of Directors**

Each district board is asked to designate one trustee to represent the college on the DBA Board of Directors. The DBA Board meets at the Association meetings (hybrid, virtual or in-person) and for one Annual Planning Meeting, usually held in late August in Madison. The DBA Board sets policy for the Association, has final approval of all bylaws, policy and procedures manual changes, determines the annual Association budget, approves compensation for staff, and is the governing and oversight board for the DBA Executive Director.

*Board of Directors Delegate Commitment:* It is important that we have full representation from all colleges at DBA board meetings. Board of Directors Delegates are asked to attend all Association Board meetings either in-person or virtually. If a delegate is unable to attend a meeting, they should contact DBA for more information.

***DBA Standing Committees are listed here. These committees meet as needed.***

## **External Partnerships Committee**

This committee meets (hybrid, virtual or in-person) and works to explore innovative partnerships, external challenges, and emerging opportunities for collaboration, while building understanding and strengthening relationships between trustees and local, state, and national leaders. In collaboration with the host college, the committee meets with strategic partners that include but are not limited to:

- K-12 leaders
- Employer-partners
- Chamber officials
- County board members
- Presidents Association
- Higher education leaders
- Association of Community College Trustees
- Community and Faith-Based Organizations
- Other stakeholders and partners

Led by two trustee co-chairs in concert with DBA staff, this committee also generates programming input for Association staff to develop for in-service sessions.

*Each district board is asked to **appoint one to four trustees** to serve on the External Partnerships Committee.*

## **Internal Best Practices Committee**

This committee meets (hybrid—virtual or in-person) to share and discuss best practices internal to the technical college system on topics of interest to the members. Past topics appropriate for this committee include:

- Board and Association best practices around new member orientation;
- “Boardsmanship,” or how to be effective at the board table, legal and ethical parameters, and other skillsets for trustees;
- Human resources and employee compensation best practices;
- Student services best practices (mental health, veterans services);
- Instructional services best practices (career pathways, credit for prior learning, Promise programs); and
- Other emerging trends and topics

Led by the co-chairs, the Internal Best Practices Committee also generates programming input, suggesting topics for Association staff to develop for in-service sessions.

Each district board is asked to **appoint one to four members** to serve as part of the Internal Best Practices Committee.

### **Bylaws, Policies and Procedures Committee**

The Bylaws, Policies and Procedures Committee, as set forth in Article IX of the Bylaws, reviews the Association's Bylaws, Policies and Procedures Manual and recommends changes to the Board of Directors where appropriate.

The Committee has additional specific assignments:

- At the Board of Directors' request, develop a select list of major issues on which the Board of Directors may request member consideration.
- At the request of the Board of Directors, committee chair, or an individual member district board of the Association, review a proposed resolution or proposed change in the bylaws, policies or procedures for the purpose of recommending whether the proposed language will accomplish the desired effect, and/or whether the proposed change would require amendment of any other portion of the corporate bylaws, policies, or procedures.

### **Awards Committee**

The Awards Committee has responsibility for promoting, identifying and rating:

- Board Member of the Year candidates
- Technical Education Champion (TECh) Award candidates
- Media Award candidates
- Distinguished Alumni of the Year candidates

This committee conducts their work via e-mail/virtual meetings, outside of the DBA meetings. Each district board is asked to **select one trustee** to serve on the committee who will review and rate nominations for the Association awards program on behalf of their college.

The Committee determines, selects the recipients of, and delivers the Association's annual awards via the following process:

Association staff announce the nomination period for each award. At the end of the nomination period, the Association provides the Awards Committee with a slate of nominees eligible for the award with corresponding nomination materials. The Awards Committee selects award recipients by rating colleges' nominees against a set rubric of criteria for each award. Association staff then tabulate the scores and announce the winner. Whenever possible, awards are presented at the next in-person meeting of the Association.

*Awards Committee Commitment:* The DBA requests ratings from each college for awards. Awards Committee members read nominations for each award (one award each quarter) and submit a rating for each nomination. Members have about two weeks to complete this activity. During the rating process, members read or view 8-10 nominations for an award and rate each award on 4 or 5 rating criteria. Members are allowed to split this responsibility with another board member.
